

Affiliate Colleague Program: 2011-2012

CDJA Basic Liability and DJ Insurance Package \$105.00.

The Affiliate Colleague Insurance surcharge fee is \$150.00 (plus appropriate taxes below).

GST 5% in AB, SK, MB, QC, PE, YK, NT

or

HST in ON, NB, NL – 13%; BC – 12%; NS – 15%

(This is not a membership fee ... it is an offer to non member DJs to have access to ONE of the CDJA's very valuable benefit options that will allow DJ company owners to advance their professional, ethical and educational features for their businesses and to their customer base for a modest charge.)

CDJA Insurance Package \$105.00
CDJA Insurance Surcharge (as non-member) \$150.00
Sub Total \$255.00
Calculate and add appropriate provincial tax \$ xx.xx

Add to produce Total \$ ZZ.ZZ

Accompanying Amenities:

The package includes \$2,000,000 Liability Insurance + \$2000 DJ Equipment Insurance (\$50 deductible & replacement value on insured equipment list) and a brand new Business Extension program makes this policy a golden package. Having this policy opens up two more Business Options (a) **the Entertainer's Policy** and (b) **the Special Event Policy**. Please note: More insurance coverage of each type can be purchased at standard policy rates. Our insurance broker requires an Insurance Code Number from National in order to apply for this outstanding, inexpensive benefit! More extensions are already planned to be optioned as part of this program in the future.

An additional \$50 savings on Initiation Fee for the full CDJA Master Membership can be applied for (*if made prior to Early Bird date at registration time in mid May).

This proposal is a serious stepping stone to our Master Membership Status. Also compare this DJ Alliance Program with other organizations and see the differences for yourself.

There isn't a better total coverage policy available to independent DJs at this price anywhere in North America. This policy has been appraised by two outside CDJA members who are outside Insurance Agents for other Insurance Companies and they are quoted as stating that, **"For a DJ to purchase this policy outside the exclusive CDJA offer, it would cost the DJ Company an eye-opening \$800 to \$1000 per year!"** (And that does not include the two extra Extension Programs (a & b) above.

IMPORTANT NOTE: Joining the CDJA will negate the "SURCHARGE FEE" and the cost would be \$105.00 for the basic policy coverage.
