[Affiliate Colleague Program:](#) *(Limited & Insurance Carded)*

Affiliate Colleague fee is \$157.50 (includes GST). (This is not a membership fee ... it is an offer to non member DJs to have access to some of the CDJA's very valuable benefit options that will allow DJ company owners to advance their professional, ethical and educational features for their businesses and to their customer base for a modest charge.)

CDJA Basic Liability and DJ Insurance Package \$105.00 (tax not included).

It does include \$2,000,000 Liability Insurance + \$2000 DJ Equipment Insurance (\$50 deductible & replacement value on insured equipment list). More insurance of each type can be purchased at standard policy rates. Our insurance broker requires an Insurance Code Number from National in order to apply for this outstanding, inexpensive benefit!
